It looks like Wednesday or Thursday will be the best days for me. Either one is fine with me.

Hello Ms. Nez Perce and Mr. Black Wolf,
It looks like the week of Feb 29th is the best time for our formal consultation meetings. It will probably take most of Monday for us to fly up there, so our meetings would be Tuesday, Wednesday, or Thursday. Do you have a preference on which day you would like to meet?
Thanks!

Valois

Valois,
Looks like I am free both weeks. However, I do have a conference call scheduled for the morning of February 8th.

Hello Ms. Nez Perce,

Please let me know what dates would work for you to meet with the EPA for formal consultation on the Dewey-Burdock uranium site located in the southern Black Hills. I think I forgot to ask if you could come to Billings to have the meeting.

The best weeks for my supervisor, Darcy O'Connor are the weeks of Feb 8 and Feb 29. Michael Black Wolf says he is open all February so far.

Thanks!
